

MICROSOFT ANNUAL LICENSING - BENEFITS OF OUR NEW EES AGREEMENT

WHAT IS IT?

Education Digital Services have arranged a single framework agreement that allows school customers to join a centrally managed Microsoft Enrolment for Education Solutions (EES) Annual License Agreement.

The Agreement runs from 1 January 2024 to 31 December 2026. It enables your school to ensure it has licenses for a range of Microsoft products, and that your school can comply with its Microsoft licensing obligations.

We have teamed up with Phoenix, our chosen Microsoft Licence provider, to deliver a FREE webinar to explore the Microsoft EES Annual license agreement.

WHAT ARE THE BENEFITS?

- Join us to find out more about how Microsoft A3 licences can help your school lessen the number of requests for Multi-factor authentication and still stay secure.
- Learn more about the different types of Microsoft subscription licensing and how this can make licensing simpler for your school.
- Understand the differences between types of subscription licensing.
- Find out what's included in our Microsoft Annual Licensing A3 plan.

WHEN IS IT?

To register for this online event, **please click on the date below:**

10am – 11am, Tuesday 14 May 2024

* You will receive a confirmation email and then details will be emailed to you prior to the webinar on how to join it.

ADDITIONAL INFORMATION

We can also provide additional licences under the agreement. Server licences can be bought on a subscription basis, as add-ons to the agreement (NB: if you purchased subscription server licences under the previous agreement, you will also need to continue purchasing these as an add-on in the new agreement).

AGENDA

- OVS vs CSP vs EES
- How to license your school with an EES
- Additional EES Benefits for Schools
- Microsoft Education Programme changes for 2024
- How to secure your users
